THE CCTFA FOUNDATION ANNUAL CLASSIC IN SUPPORT OF LIVES AFFECTED BY CANCER

Message from the Co-Chairs

We are proud to be returning as Co-Chairs for the CCTFA Foundation's annual Charity Golf Classic benefitting lives affected by cancer and supporting their free cancer support programs, Look Good Feel Better® and FacingCancer.ca.

Today there are almost **half a million women living with cancer in Canada**, both patients and survivors.

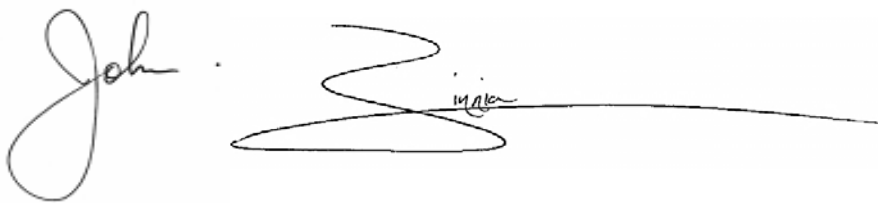

The Foundation's programs empower women with cancer to face their illness with greater courage and confidence, and find the support they need to help manage the social and emotional effects of living with cancer. Since 1992, more than 140,000 women have participated in a free Look Good Feel Better workshop and hundreds of thousands more have benefited from the Foundation's websites, annual magazine and 1-800 information line.

The goal of this year's Classic is to raise **\$125,000** in net proceeds and in doing so, enable **300 women** across the country to experience a Look Good Feel Better workshop and take back some of the control that has been lost as a result of cancer and its treatment.

We are proud to be working alongside a dedicated committee who are diligently preparing what's sure to be an unforgettable day at the prestigious Weston Golf & Country Club. With a **newly renovated clubhouse** and **new day-of-play format** that includes breakfast and an **8:30 am shotgun start**, your experience will be further enhanced by the camaraderie, on-course activities, a post-game gourmet Chef's lunch, prizes, and our popular live and silent auctions. An exciting day is definitely in store!

We invite you to help make a difference. Your generous contribution to the 2013 Charity Golf Classic, whether through a cash sponsorship, foursome(s) or ticket purchase; or donation of cash, or goods and services to our live and silent auctions, will help make a difference in the lives of people facing cancer. It is with your help and support that the Foundation can continue to expand its work to ensure that no woman has to face cancer alone.

With our sincere appreciation,
